Willy Wonka: [eye emoji]

loucas: im still a little shocked

scienceiscool: guys please explain

mike bileer: y es pls

mad max: calm down (b)ustin, bileer

mad max: mkay so like, for some reason troy thought it was alright and safe to bully will as if we were still in middle school

mad max: so he started calling him names ??? like ??? bitch stop ??

mad max: but jane was there w us (lucas, will and me) and she just looked at troy,,, and bam, he heard his bones crack and he was on the floor cryin

biconic > > *sk8*

16:30 PM

biconic: so like

biconic: i wanna ask will out

sk8: finally

biconic: stfu

sk8: (:

biconic: you're the closest to him so

sk8: isnt that jane tho

biconic: yeah but her and will are like super close and cant lie to each other so if i start acting weird because im nervous will is gonna ask me whats wrong and im gonna say nothing and then hes going to ask jane and shes gonna see how sad he looks because he knows when im lyin and he doesnt like it when i lie to him so hes gonna ask her and shes gonna tell him and maybe he doesnt feel the same for me so hes gonna start being distant to me because i make him uncomfortable and then we r going to stop talking and eventually we r gonna no longer be friends

sk8: wow

sk8: so you've thought of this for a while

biconic: since we were 13, yeah

sk8: werent you with jane when you were 13?

biconic: not the point

biconic: i want to make it special so,

biconic: tell me what romantic things Will likes

sk8: alright
